Grand Knight's Message

Jeff Maschler

Brothers!

Shelly and I were blessed to attend the pre-screening of this movie in early October. Thank You Bishop Sheridan!

We were very impressed. Bella goes beyond romance in this love story to deliver a real winner of a movie and a very timely and moving message.

We also had the privilege of meeting the film's director - Alejandro - and learned of some truly inspiring behind the scenes stories. For example:

- The lead actress blew her first audition! Only after a follow up meeting did she convince the director that the part was written for her. It definitely would appear that way in the finished product!
- The lead Actor, a cradle-Catholic, is the Brad Pitt of Mexico - only smarter! After reading the script, he recognized his wayward, self-centered ways, and committed himself to spreading a positive Christ-centered message of life.

- The use of the universal symbol of fertility was supposed to be a giraffe. But the "magician" didn't know how to make an origami giraffe. So this symbolism was purely accidental!
- Same with the last scene. The kite was not requested or even in the script. I think it was just God's way of saying "Job well done!"

Finally, don't expect to see a lot of publicity on this movie. They skipped the \$25M publicity package in lieu of word of mouth publicity. Call your local theatre and ask them when they will show the movie 'Bella'. We're attempting to setup for a free showing in mid-November – possibly a recruiting event. But don't wait.

I promise you - you will love this movie. Don't miss it!

Vivat Jesus!
Jeff

Prayers are working...

Greg Leger (Previous Member of Our Council)

My brother Knights, Thank you for your generosity in helping Katherine along the path she has chosen. I am sure she appreciates what you have done and all that you have done in the past. Our Lady of the Pines has been a part of her life and has helped to encourage her with some of the important choices she has made. Katherine will keep the Knights, and all the people that make up the Our Lady of The Pines parish in her prayers.

The sisters she is joining are a very energetic and dynamic order. They have bright blue habits and work with the poor; especially Hispanic groups in working within a parish to keep them involved with the Catholic Church. She will have 5 years of formation before receiving her final vows. I am sure that Katherine will accomplish what God has intended for her.

The rest of the family is very happy for her and is doing well. May God Bless.

Greg
